## Federal Emergency Management Agency

Washington, D.C. 20472

APR 23 1982

Admiral Bobby R. Inman, USN  
Deputy Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Admiral Inman:

I wish to thank you for your Agency's support in NINE LIVES 4. Although the exercise name would indicate that this was the fourth such exercise, in many ways it was a first. It was distinguished for many reasons, among which was the very high level support and favorable reactions it received by the White House.

Your Agency's assistance in providing expertise in operational security, as well as considerable input into the development of the exercise scenario, was invaluable. On behalf of this Agency, I would like to single out [redacted] for their contributions. Their participation contributed significantly to the success of the exercise, and therefore to our Nation's deterrent posture. I look forward to a continuing close relationship between our two organizations.
